Vacancy Announcement #64-16 IT Help Desk Supervisor

SALARY: NEGOTIABLE

DC Residents Preferred

SUMMARY DESCRIPTION

Events DC is seeking a full-time IT Help Desk Supervisor to lead our Help Desk operation and ensure outstanding technical support for Events DC staff. Reporting to the Manager, Network Operations, the IT Help Desk Supervisor will orchestrate the successful and timely delivery of support services to approximately 300 users at four office locations. This position will oversee the Information System Specialists.

EXAMPLES OF WORK ASSIGNED

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment.

- Serves as primary help desk resource to C-level executives.
- Prioritizes and manages support activities – technical support, software rollouts, hardware rollouts, etc.
- Analyzes and reports out on Help Desk service metrics.
- Develops and maintains procedures to ensure smooth and comprehensive user support.
- Resolves escalated Help Desk technical issues.
- Serves as Lead Administrator for the help desk ticketing system.
- Responsible for supervising, coaching and mentoring 2-3 employees.
- Implements staff development programs and provides performance feedback.

SKILLS, KNOWLEDGE AND ABILITIES

- Excellent written and oral communication skills required. Must be able to express ideas and convey information effectively, both orally and in writing.
- Must have the ability to defuse stressful situations, calm users in distress, and assist non-technical users.
- Basic mathematical skills required.
- Exercises sound analytical judgment and demonstrates proven problem solving skills. Must have the ability to troubleshoot software and hardware problems and initiate timely corrective action. Must possess the ability to quickly identify, understand and implement new technology in a rapidly-changing environment. Must possess a strong work ethic, positive attitude and be able to think creatively.
- Experience in preparation of project/task plans and schedules, and status reports, as well as coordination of the activities of outside vendors is preferred. The ability to manage time and resources in order to deliver results on schedule with minimal supervision is required.
- Experience in preparation of project/task plans and schedules, and status reports, as well as coordination of the activities of outside vendors is preferred. The ability to manage time and resources in order to deliver results on schedule with minimal supervision is required.
- Experience in standard office environment; a portion of work will be conducted in a secure computer room. Some after business hours work may be required.
- May be required to lift up to 40 lbs.

MINIMUM QUALIFICATIONS

- Bachelor's degree or extensive college-level coursework in computer science and 3 years' prior experience or no degree and 5 years' prior experience.
- Supervisory responsibilities in a technical support role, in a comparable computing environment.

- Experience implementing and administering service desk software, Windows 10, PC/Mac OS hardware, and Office 365 is required.
- Expert troubleshooting skills required.
- Solid understanding of networking (e.g., Ethernet, IP addressing, DNS, DHCP) is highly desired.
- Must have a strong customer service orientation and excellent communication skills, verbal and written.
- Prior experience working with C-level executives, or law-office experience strongly preferred.

In an effort to protect our environment from paper waste all candidates must apply on-line on our website:
